

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the industry as strong and durable machinery which suits the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln has the ability to supply equipment, parts and warranty service for these scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency matter. Recently, this floor scrubber model has been used by the architects in various construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
